Story

In search of paradise

The jungle is beautiful and full of secrets. But the life of the animals there is also dangerous. Come with us on a journey into the green wilderness!

Far, far away there is said to be an unspoilt paradise where all the animals live peacefully. The mother capybara hears about this special place and sets off there with her cub. On the way, the capybaras lovingly take in a tapir child who has lost its mother and is wandering alone through the jungle. From now on, they must stick together on their daring and perilous journey. Will they find paradise?
