Full steam ahead into adventure

Hard shell, soft core - that's the street gang! Stray Flo, rat Kracker, parrot princess Kara, raccoon Murrel and dachshund Rakete call the shots in their neighbourhood. But when the friends accidentally end up in an expensive residential neighbourhood, they can hardly believe their snouts - everything is clean and the rubbish bins are full of treats! But this is the territory of the elite dogs and cats of the noblest lineage. And they do everything they can to get rid of the street walkers ...

A funny series about justice, acceptance and friendship
