Story

Ever since her parents' honeymoon in Brazil Lola is impatiently waiting for the result of her mother's pregnancy: will she get a little Baby brother or sister? Lola looks for ways to prepare for the new challenge as big sister. At night she becomes the enchanting Super Nanny, a Baby Whisperer who helps even the most difficult families to get along. At day Lola's new school holds many surprises for her. Lola decides to try her luck as a babysitter at the school's bulletin board. That is how she meets Fabio again, a boy she already knows from before and who is also expecting a little baby sibling. Together they start as babysitters – a fact which Alex in Paris does not like one bit. So Lola has to calm Alex, to learn how to deal with babies and then on top of everything she has to come to terms with the fact that she no longer will be alone with her parents. No only will Lola have to share her room and her cat with this new baby – she will also have to share her parents with it. Not an easy realization but of course Lola Super Nanny finds solutions to all the problems at hand. In the end she is rewarded with the birth of her new little baby sibling.
