Story

Non-stop drawing fun!

- For **first drawing experiences**
- No frustration because of coloring over the lines
- With **short, animating texts**

Welcome to your first and non-stop coloring fun! Without contour-lines, children don't get the feeling to do something wrong, creativity won't be limited and kids can color at whim. This painting technique is based on first children's drawings and thus encourages children's fantasies.

Norbert Pautner

Norbert Pautner has been drawing and painting since he could hold a pencil. After studying sinology, Japanese studies and art history, he now lives and works as a successful freelance author and illustrator in Berlin. He firmly believes that everyone is creative, true to the motto: "Draw, paint, do handicrafts: If it's fun, anyone can do it!"
