Vincent's long kept secret is revealed at last !

Vincent thinks it's time to tell his friends the truth. He must finally tell them that he has to make amends in the spirit world: Because Vincent has smuggled something - colourful sweets into the black and white spirit world, where colour is strictly forbidden! Fortunately, his friends are nowhere near as shocked by Vincent's secret as he had feared. And José comes up with an ingenious idea: all they have to do is catch the most dangerous villain in the ghost world and Vincent will surely be released from his punishment! Catching the creepy scientist Dr. Miez can't be that difficult! Or can it?
