Story

Do you already know of the Hackebart family?

In three days, the Hackebarts can finally move. Unfortunately, the new dream house turns out to be a dump and everyone has to help so that everything is ready for the move. Then Brooklyn discovers something highly mysterious under a step in the stairwell: Who was the mysterious former owner of the house? The Hackebart family begins to investigate. And things start to go haywire ...

As different as Brooklyn, Zosch, Mönkemeier, Lulu and their parents are: This family simply sticks together.

"One of the funniest children's books of the year!" *Börsenblatt* on *The Hackebarts clean up*

The funniest family story since *Help, the Herdmanns* are coming and the *Simpsons*. For reading aloud and reading yourself, not just for family time on the sofa in the evening.

Markus Orths

Markus Orths lives in Karlsruhe and writes his books there from morning to evening. He has already completed 15 books for adults and nine for children. Naturally, he writes the children's books for his own children as well, three in total. Any similarities between the Hackebart family and the Orths family are purely coincidental. Well, at least most of them.
