What happens in Volume 2:

The second round of the Galactic Games is on. The arena this time will be: An asteroid. Final goal: Turning off the central computer of an ore mine. Felix is looking forward to a new adventure with team Tentacle Fist. But soon problems arise with their new team member Platus. And also there opponents make it harder for them. Once again, they take on the Invisible Heroes who want revenge for the last lost game – at all costs.

Karl Olsberg

Karl Olsberg completed his doctorate on artificial intelligence, was a management consultant, manager at a

TV station and founded several start-ups. His first novel "Das System" was published in 2007 and immediately made it onto the Spiegel bestseller list. Since then, he has not only successfully written novels for adults, but also for young people and children. The thriller "Boy in a White Room" was nominated for the German Youth Literature Prize 2018. His Minecraft novels, which he initially self-published, reached number 2 on the Amazon bestseller list. In addition, his start-up "Papego", which develops the app of the same name for mobile reading of printed books, was honoured as "Content Start-up of the Year 2016" at the Frankfurt Book Fair. The author lives with his family in Hamburg.
