Story

Come along on a new devilish adventure!

Luzie and the others are completely out of their minds: they have been invited to visit the Federal President. But could this possibly be a trap, as Aaron suspects? When the plane lands, his suspicions are confirmed and a hellishly threatening adventure begins that not only puts our friends in danger....

A devil in school - the **comic novel** by **Jochen Till** about the son of hell Lucifer offers reading fun and plenty of reason to laugh out loud for **girls and boys aged 10 and up**. Numerous **humorous pictures** by Raimund Frey illustrate Lucifer's adventures in hell and in the strict boys' boarding school. Anyone who likes **Greg's diary** will love **Lucifer junior!**

Jochen Till

Jochen Till, born 1966, has been in hell for 20 years now in Section 66 (writers and other inventors of lies), condemned by Lucifer himself to write books for children and young people. What the devil doesn't know, however, is that he feels great down there and has a hell of a time doing it.
