Story

ARE YOU READY FOR SOME FASHION TIME TRAVELLING?

Lucy was just about to give Lasse a kiss. But that would have put their time travelling at risk, because one true love kiss is enough to let her and her sister Hanna lose their ability for ever. And Lucy certainly doesn't want that to happen! However now Lasse is kissing another girl and Lucy is not at all keen on that. Luckily there is something else to think about, because during this semester Fashion School Bernstein is about to become a film set. The best ideas for costumes, designs and marketing for the film will be rewarded with a minor part in the film! And, given that it is set in the 1920s, the sisters simply have to undertake another time-travel trip to make sure they are well prepared and can win one of the brilliant roles...

The third volume of 'We love fashion' provides a fascinating mix of fashion, thrills and romantic heartbeats for all girl readers aged 12 and older.
