Story

StoryWorld - the park where stories come true!

On the misty island of Neblund, far from any civilisation, stands StoryWorld- an adventure park with magical creatures where stories come to life. But behind the adventure fun lies a dark secret...

The Amulet of a Thousand Waters suddenly begins to whisper and rustle – something bad is going on in StoryWorld! Sascha and Chloe must travel back to the theme park and begin their next adventure in the Forest of Magical Beasts. In the dark, impenetrable forest, they are greeted by dangerous creepers and thorny bushes. Evil seems to pulsate in the plants and it spreads! A pack of wolves attacks the forest's graceful white deer and seizes their shining antlers – is black magic at play here? Sascha and Chloe must uncover the secrets of the park as soon as possible ...
