Story

Join Luna and the other wild horses on a new exciting adventure!

The herd is in turmoil: they had to leave Bull behind and are now without a leader! As if that wasn't difficult enough, a strange stallion keeps showing up to drive the wild horses away.

Finally they reach the valley of death. How are they supposed to find food and water here? Luna uses her gift and changes the course of the stars. But will this help the herd? And will they get a new lead stallion?

Sabine Giebken

Sabine Giebken, born in Munich in 1979, swapped ballet lessons for riding lessons at the age of eight. Even as a child, she wrote stories in exercise books, which later became her first horse books. After a degree in business administration and a few career detours, she finally turned her hobby of writing into a career. She lives in Bavaria and is a mum to two wild children, an affectionate dog and a self-confident Icelandic mare.
