Story

His voice means everything to her - until she meets him

Every night, Klara lets Noel Carter whisper her to sleep. But she only knows his voice. The audiobook narrator hides everything else behind a pseudonym. Until her first job at the Sweet Lemon Agency takes Klara to a recording studio where Noel, of all people, is waiting for her. He is supposed to record her advertising copy for a sensual new campaign - and hates every word of it. For the failed actor, the recordings are further proof that nobody takes him seriously. No one except Klara, who shows him how much there is between the lines.

The start of a new New Adult series in the German advertising industry

Author Kyra Groh weaves her passion for audiobooks into her new New Adult series centred around the Sweet Lemon Agency: She fell first but he fell harder is the motto when CODA (Child of Deaf Adults) Klara and audiobook narrator Noel meet for a spicy advertising campaign.

Kyra Groh

Kyra Groh was born in Seligenstadt am Main in 1990, but has lived in her adopted home of Frankfurt for over ten years now. She writes stories straight from life – always with humor, depth and authentic characters. When she is not working on her next book, she spends time with her boyfriend and their young son, drinking cappuccino, hanging out at concerts or listening to music and audiobooks. The Sweet Lemon Agency is not her first foray into the world of advertising – Kyra herself worked as a copywriter for many years.
