Story

Get your imagination working! Loads of pictures waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish, a glittering horse or a crown for a king? The young artist is one who decides!

With just a few strokes, young artists can scratch out funny, brightly-coloured creatures on the black pages: shimmering scales for a fish, a playmate for a bear and a special birthday surprise for a giraffe.
