Awesome! Suddenly, there are dinosaurs at the pool, at the natural history museum, basically everywhere. They cause lots of excitement and fun for everyone. Toni appears in the Mesozoic and rides on a real triceratops. The dinosaur children Sauri and Tyra try to free an egg out of the claws of a mean pterosaur. And Oscar hunts the thief of a dinosaur bone in the natural history museum. Will he be able to catch him?

The Reading Lions for Years 2 and 3 help children become reading pros! Popular early reading themes for girls and boys make for fun and exciting stories! The well-balanced picture-to-text ratio and large primer font help children aged 7+ understand the content with ease. And the accompanying information and explanations help to broaden children's general knowledge.
