Story

Devils don't have it easy either!

- A hilarious comic-style series with a fantastic hook
- The perfect combination of a school topic and devilish fun!
- Humorous black-and-white illustrations on every double-page

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 10**:

Steven has invented a time machine and Luzie and his friends are allowed to try it out! Lilly already knows exactly where she is going - but nobody suspects that this will have fatal consequences ...
